(17.11.2020) E-learning

1. In this class will have a look at some issues of <mark>e-learning</mark>.
- Please refer to the attached file: **U 21 E-learning** and read **sections A and B, p. 50**. Use a dictionary to make sure everything is clear.
- Do <mark>Quiz 1</mark> **to check your understanding of the text: give the English equivalents (used in the text p. 50) of the following words and phrases. Write only the new words in the quiz boxes. Do not write any numbers.**

1. Lokalizacja = location
2. Cyfrowy = digital
3. Synchroniczny = synchronous
4. Uczestnik = participant
5. Zalogować się = log in
6. Bezpośrednio = directly
7. Z przerwami (=ONE word) = intermittently
8. Oprogramowanie = software
9. Pozwolić komuś coś zrobić = allow sb to do sth
10. Rejestrować kogoś = register
11. Dane = data
12. Informacja zwrotna = feedback
13. Umożliwić kontakt pomiędzy = facilitate contact between
14. Dostęp do = access to
15. Zasoby edukacyjne = educational resources
16. Zadanie = task / assignment
17. Ważna cecha = important feature
18. Umożliwić coś (=ONE word) = facilitate
19. W swoim własnym tempie = at your own pace
20. Popularność = popularity

- Continue with **the above file**. **Do Ex. 21.1 + 21.2 + 21.3 + 21.4, p. 51**. Check with the instruction which section: A or B you should refer to for the vocabulary needed.
- Do <mark>Quiz 2</mark>**: write your answers to both Ex. 21.1 + 3 in this quiz. Write only the words in the quiz boxes. Put one space between words. Do not write any numbers or complete sentences.**
- Check the other two exercises with the **key** <mark>at the end of this file.</mark>

2. FORUM
- **Post your response in at least 100 words.**
- Do you think that e-learning/distance learning/distance education is a good solution/alternative/option to conventional/classroom learning?
  Why? / Why not?
- What did you particularly like, dislike or found difficult about the previous semester, which was distance learning?

<mark>**4. The deadline for this work is: 24.11.2020, time: 22.00.**</mark>
