What kind of barriers do you experience?

Rules of good speeches

Rules of good speeches

- Interesting
- Stacked statements and thoughts
- They contain a closed composition, introduction, development and summary
- They are embedded at a specific time
- They have a goal
- They interact with listeners

Rules of good speeches

- Prepare the material, but do not learn it by heart
- Take control the stress
- Take care of your posture
- Modulate the voice
- Remember to make eye contact
- Fit to recipients

Exercise

Prepare a one minute speech
about your passion.
